starting 5th

November

Alternate Saturday mornings

FOR CHILDREN

AGED 5-11

Fun woodland activities
and games

Plus space to find out how
Jesus lived can help us

FREE!

Exploring Nature
Exploring Faith

Who?

Forest Kids is a new project in Ash and the surrounding area, providing opportunities for children and young people to have fun and learn new skills in a woodland setting. We are a registered charity and have a safeguarding policy, including DBS checking team members.

What?

We run regular sessions at our woodland site where children can take part in a range of activities that will help them grow in confidence, have fun, learn about the natural world and bushcraft skills, all at the same time as learning about how the life of Jesus can help us live life well today.

Sessions are for primary school aged children (5-11) and are free. Parents are welcome to come to the sessions, especially the first time.

When?

Currently fortnightly on a Saturday mornings, 10.30am-12.00pm.

Where?

The woodland site we use for Forest Kids sessions is in Normandy but we are providing a minibus pick up service from Ash and Ash Vale.

If you want your child(ren) to come or would like any more information, let us know. You can do this in three ways!

1. Go to our website <https://forestkids.org.uk/> where you can fill in a sign up form and a consent form for your child(ren)
2. Give us a call or message on 07731 681963
3. Get in touch on Facebook at facebook.com/forestkidsash/

We will then let you know details like minibus pick up times and places, what your children should ideally wear etc.
